PETITIONS OFFICE

REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.47(a)

This request is being filed in response to a Decision Refusing Status under 37 CFR 1.47(a) mailed September 30, 2003 (Paper No. 16), hereafter, referred to as "the Decision." This request is being timely filed within two months of the mail date.

The Decision alleged that the original petition lacked (1) proof that the non-signing inventor cannot be reached or refuses to sign the oath or declaration after having been presented with the application papers, and (2) an acceptable oath or declaration in compliance with 35 USC 115 and 116.

Applicants believe that the originally filed petition paper sufficiently comply with both of these requirements. A "Statement of Facts..." was filed with the original petition that documents the efforts made to reach the non-signing inventor. Also, declarations were filed in accordance with 35 USC 115 and 116.

On October 16, 2003, a telephone conversation was held between Senior Petitions Attorney Alesia M. Brown (hereafter, "the Petitions Attorney") and the undersigned representative regarding the Decision. During the phone conversation, the previous unsuccessful efforts to locate Benedetti were reviewed including sending the appropriate application papers to Benedetti's last known address, and even sending the application papers to a Swiss address

where joint inventor Inui stated that he could be reached. See page 2 of the "Statement of Facts in Support of Filing on Behalf of Nonsigning Inventor" filed on February 28, 2000.

The Petitions Attorney stated that her sole reason for denying the petition was that it appeared that insufficient efforts were made to locate the non-signing inventor. The Petitions Attorney further provided the following address in the Decision that Lexis.com EZFIND listed as an alleged recent residence of Benedetti:

44 Treaty Elm Lane
#10INUI
Haddonfield, New Jersey 08033-3414

The Petitions Attorney stated that additional Internet searching should be conducted and that the search results should be provided in any subsequently filed Request for Reconsideration. The Petitions Attorney stated that if the results of the additional searching shows that there is no current U.S. address where Benedetti is likely to be found, then the petition will likely be granted.

During the phone call, the undersigned representative also noted that the Lexis.com address is identical to the previous address of joint inventor Inui who was a work colleague of Benedetti at Checkpoint Systems, Inc. (the assignee of this patent application). The clear implication of this fact is that Inui allowed Benedetti to receive mail at his (Inui's) home address after Benedetti moved from his original residence by using the designation "#10INUI" as part of Inui's home address. Alternatively, the designation #10INUI might be a code inserted into the address by Lexis.com and it may not have actually formed part of the address that was used by Benedetti. Inui is also no longer employed by Checkpoint Systems.

Based on the results of additional searching conducted on October 20, 2003 and described in the accompanying "Supplemental Statement of Facts..." (summarized below – the appendices are attached to the "Supplemental Statement of Facts..."), it appears that neither Inui nor Benedetti are living at their last known addresses. It also appears that Benedetti is not locatable within the United States, assuming that he is even still in the United States.

Two Internet-based databases were searched to attempt to locate Benedetti and to confirm that he is not locatable at either his last known address or the address located by the Petitions Attorney. A first search was performed on a free website, WhitePages.com, which includes all

currently listed telephone numbers and addresses in the United States. A second series of searches were performed on a fee-based database called USSearch™. The search was conducted using the "3 Hour Unlimited Instant People Locate Search." (Appendix A).

The search results from WhitePages.com show that no records exist for "Riccardo Benedetti" (Appendix B). The search results from USSearch also show that no records exist for "Riccardo Benedetti" (Appendix C).

Using the "Search by Address" feature of USSearch, Benedetti's last known address of 3312 Avalon Court, Voorhees, NJ was searched. The search results show three names other than Benedetti as being associated with that address, specifically, Cathy Stankiewicz, Joseph Stankiewicz, and Stephanie Wright (Appendix D). A search on WhitePages.com shows that C. Stankiewicz has an address at 3312 Avalon Court, Voorhees, NJ (Appendix E). Thus, it appears that it would not be fruitful to remail the application papers to Benedetti's last known U.S. address since the Stankiewicz family appears to now live at this address. A telephone call was made on October 21, 2003 to the phone number in WhitePages.com associated with this address (856-988-0714, changed to 856-768-0624) but no respondent could be reached.

Using the "Search by Address" feature of USSearch, another search was made of Inui's last known address of 44 Treaty Elm Lane, Haddonfield, New Jersey. The search results show four names other than Inui as being associated with that address, namely, David Fennimore, J.M. Price, Michael Price and Mike Price (Appendix F). A search on WhitePages.com shows that David Fennimore has an address of 44 Treaty Elm Lane, Haddonfield, New Jersey. Thus, it appears that the Lexis.com address located by the Petitions Attorney is not a current address for Benedetti and therefore it would not be fruitful to mail the application papers to Inui's last known U.S. address since David Fennimore's family now appears to live at this address. A telephone call was made on October 21, 2003 and October 22, 2003 to the phone number in WhitePages.com associated with this address (856-428-4821) but no respondent could be reached.

These additional efforts are believed to be responsive to the request made by the Petitions Attorney for subsequent searching. Accordingly, it is respectfully requested that the petition under 37 CFR 1.47(a) be granted.

Respectfully submitted,

WILLIAM F. GALLAGHER III et al.

Telephone calls were made on October 21, 2003 and October 22, 2003 to the phone number in WhitePages.com associated with this address (856-428-4821) but no respondent could be reached.

Search Hints & Options

- Check the spelling for first and last names, as well as the city. Please note, this search includes only for residents of the United States and Canada.
- Try a "wider" search by entering less information, like only a last name and state. Searches can also be performed by first initial or common nicknames. Using only a first initial is very effective, decreasing chances of spelling variations or errors.
- Try using the "Begins with" option for first or last names.
